State Route 55 Roadway Rehabilitation Project 19th Street to 17th Street Weekend/55-Hour Closure Friday, August 8, 2014

Irvine—The California Department of Transportation (Caltrans) will continue construction activity along the SR-55 from 19th Street in Costa Mesa to 17th Street in the Santa Ana/Tustin area. A Weekend/55-hour closure is scheduled at the Northbound Baker Street Off-ramp beginning Friday, August 8, 2014 from 10 p.m. until Monday, August 11, 2014 at 4 a.m. for pavement reconstruction. Detours will be posted to alert motorists.

Date & Time	Location of 55-Hour Closures	Suggested Detours
Friday, August 8th at 10 p.m. until Monday, August 11th at 4 a.m.	Northbound Baker Street Off-ramp	1. North SR-55 MacArthur Blvd Off-ramp to East MacArthur Blvd to South Redhill Ave to Baker St 2. North 73 to North SR-55 MacArthur Blvd Off-ramp to East MacArthur Blvd to South Red Hill Ave to Baker St

During the month of August 2014, one-time 55-hour ramp closures are scheduled at Baker Street, MacArthur Boulevard and Paularino Avenue for pavement reconstruction work. Caltrans will provide advance notice for planned ramp closures and other mainline impacts. All closure information and detours will be posted at the Caltrans website address www.dot.ca.gov/dist12

This \$17 million project will rehabilitate the roadway by reconstructing the Off-ramps, rebuilding the approach slabs at the bridges, installing new concrete median barriers and upgrading sidewalks near the ramps. Construction crews will grind and groove the existing asphalt concrete and replace it with rubberized asphalt concrete. The projects goal is to reduce sound and provide a smoother surface. There are 390 working days with an estimated completion of December 2015. The contractor is All American Asphalt.

For more information on this or any traffic information or project in Orange County you may contact District 12 Public Information Office at (949) 724-2000 or log on to the Caltrans website at www.dot.ca.gov/dist12

CaltransDistrict12 @Caltrans12

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
