The California Department of Transportation is extending the due date for the Request for Information for the Internet Bidding (iBid) System for Highway Construction Contracts project. The due date is being extended in recognition of disrupted airline schedules due to the current fires in Southern California. Only the front cover due date is being changed by this letter:

- (a) from Wednesday October 29, 2003
- (b) to **Tuesday November 11, 2003, 4 PM Pacific Time.**

If you sent in an RFI response, please send a letter or e-mail me at the e-mail address listed above indicating whether:

- (1) you would like it to be returned, in which case I will send it back to you by overnight courier without opening it; or
- (2) you would like me to keep it as your response; or
- (3) you would like me to disregard it.

I apologize for any inconvenience this may cause you.

Sincerely,

A handwritten signature in cursive script that reads "Bill Kodani".
