SUBJECT: Administrative Modification No. 8 to the Tahoe Metropolitan Planning Organization
2011 Federal Transportation Improvement Program

Dear Mr. Aljabiry:

Please accept this approved administrative modification No.8 to the Tahoe Metropolitan Planning Organization (TMPO) 2011 Federal Transportation Improvement Program (FTIP). TMPO staff has modified the attached project using delegated authority by the TMPO Executive Director to process administrative modifications to the FTIP/FSTIP.

The administrative modification adds one additional project to the Grouped Projects for Bicycle and Pedestrian Facilities. Please see attachments for details.

The administrative modification falls in accordance with California's revised procedures for FTIP Amendments & Administrative Modifications as approved by the Federal Highway Administration on June 03, 2011 and is within the same four year FTIP period. The administrative modification does not impact the region's air quality conformity and is financially constrained.

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Improvement Program. This revision is consistent with the approved Administrative Modifications/Amendments Guidelines and Procedures.

If you have any comments or questions regarding this modification, please contact Judy Weber at (775) 589-5203.

Sincerely,

Joanne S. Marchetta
